Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.
There are 5 key indicators that schools should expect to see improvement across:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. Engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
