Summer Term

July 2025

PE at Broomhill

Summer 1 PE topics covered Net & Wall and Games for EYFS! This term saw lots of brilliant volleyball and tennis skills with lots of budding tennis stars. If anyone is looking for tennis clubs outside of school there are a few in the local area. Abbeydale Tennis Club offers a junior programme.

During half term 2 we have been getting ready for our annual Sports Day with Athletics and Fundamentals for EYFS. We have practised lots of running, jumping and throwing, our favourite being using the javelins.

After School Sport Clubs

This term has seen children from reception to Y2 take part in a range of sports including hockey/tennis, athletics, football and dance clubs. It's great to see so many Broomhill children having a go at different sports! Keep on the lookout for our first clubs in September.

Octagon Dance Performance 2025

During Summer 1 Mr Clarke had been working hard practising with a dance team of Y1/2 children after school for over 6 weeks. They performed in front of hundreds of parents & children at the Octagon

Centre with lots of confidence. It was a fun afternoon where we performed a medley of West End Wonder songs and enjoyed watching lots of other schools performances.

Sports Festival at KES

On the 25th June 20 Y2 children attended the KES Sports Festival.

This was a fun day in the sunshine filled with lots of sporting activities such as basketball, parachute, athletics and dance which they performed alongside other schools.

Mini Athletics at Lydgate

10 Y2 children had the chance to join the Mini Athletics Festival at Lydgate on the 13th June. The children enjoyed lots of fun athletics games including throwing, balancing, jumping

Sports Day

Sports Day took place at Goodwin Sports Centre in June. As always it was a hot sunny day for us with great Athletics skills shown along with amazing support from parents. The carousel of stations got everyone involved with javelin throwing, egg and spoon, hurdles and many more. The children competed in their team houses. It was great to see all the team colours & team spirit throughout the day.

The winning team that took the trophy this year was Weston! The parents relay was won by blue base parents. Well Done everyone involved!

Have a great Summer break!

Keep an eye out in the community for sporting activities to keep busy through the summer. Here are a few available around the area: Active Archie Summer Camp at Forge Valley School, Sheffield Workshop Gymnastics Camps, Kings Camps at Sheffield High School, Camp Merlins at Mlynhurst, SUFC Football camps and many more around Sheffield.
