

How our Setting Safeguards Students

We understand that safeguarding and promoting the welfare of children is everyone's responsibility and fully endorse the core principles of safeguarding:

- Protecting children from maltreatment (*A child is anyone under 18 years old*)
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes.

We are child-centred and we will always promote students' health, well-being, personal and emotional development.

We create a safe, inclusive learning culture where students;

- Can talk and express views, be listened to and get feedback.
- Have their needs met and fulfil their potential?
