Dear Parents/Carers

Next half term our topic is 'Does Sheffield still make Steel?'. As part of our history learning we are taking year 1 and year 2 classes to Kelham Island Museum on **Wednesday 28th February**. Children will learn about Sheffield's industrial history, Harry Brearley and his invention of stainless steel and about heavy industries.

The visit to Kelham Island Museum will be led by teaching staff so there will be no entrance cost. We are asking for a voluntary contribution of £10 per child towards the cost of the coach travel.

We will leave school at 9.30 and return to school at 12.30. Children will need to bring a packed lunch but we will eat this when we are back at school.

Kind regards

Susan Jones - KS1 Lead, Year 2 teacher
