Dear Parents and Carers

We are excited to announce that in celebration of **British Science Week**, we will be hosting a **Silly Science Workshop** on **10th March** in our school hall. This engaging and fun-filled event will be led by the renowned Professor Nitrate, who will guide the children through a series of fascinating (and sometimes silly) science experiments. It promises to be an educational and entertaining day for all!

Details of the Workshop:

- **Date:** 10th March
- **Cost:** £5 per child
- **Dress Code:** Children are encouraged to dress up as a scientist—whether it's a lab coat, goggles, or any other scientific attire they can dream up!
- **Please log into your ParentPay account to make your payment**

This interactive workshop is a wonderful opportunity for the children to explore the wonders of science in a hands-on and enjoyable way. We hope to inspire their curiosity and spark a lifelong interest for science.

We look forward to an exciting and memorable British Science Week celebration!

Kind regards

Mrs Craven -Science Lead and Class Teacher RB
