Dear Parents and Carers,

I hope this message finds you well.

I am writing to inform you of a precautionary step we took earlier today in response to reports of a potential threat to a small number of schools in South Yorkshire.

Following these reports, we made the decision to keep all children indoors for a short period whilst we sought further clarity from the police and relevant authorities.

Please be assured that, in the event of a genuine threat to Broomhill Infant School, we would have followed our full lockdown procedure and you would have been informed immediately.

The safety and well-being of our pupils and staff is always my top priority.

Thank you for your continued support and understanding.

J F Barnes
