News from the School

Red Base children have written a letter to Santa and been to the post-box to mail it to the North Pole!

Anaaya's winning design has been transformed into a greeting card for the MP for Sheffield Central, Abtissam Mohamed.

Well done Anaaya!

Letters/Emails from the Office

- New Autumn menus with Halal option included—emailed on 16 Dec

Dinner Menu for week starting 05 Jan: Week 2

Allergy Alert

We are asking all parents and carers to be mindful of the fact that there are children in school with severe allergies.

Any food or snacks sent in children's bag must not contain any nuts.

We also request that you make it clear to your child that no food should be shared with other children as these may not be suitable for consumption by other children.

Thank you for your understanding and co-operation.

You Said...

Thank you to those of you who filled the questionnaires at parents evening.

We are very happy to share the outcome of the questionnaires:

- 97% said that their child enjoys school
- 97% said that the school takes swift action when an issue occurs
- 100% said that the school supports the well-being of their child.

We Did...

- We have reviewed the snack that the children receive in Teatime club. We continually strive to provide healthy options.
- There was one social issue that was raised and this will be addressed in the PSHSE lessons and in the school assemblies.
- You asked about sending out the overview of the learning which is now happening weekly.

We wish all our families a very Happy Christmas and New Year!
