#### News from the School

##### Unsafe Parking at School, Drop-Off and Pick-Up

Illegal parking on double yellow lines at school drop-off and pick up outside Broomhill Infant School has been an issue for a long time but has certainly increased in the last few years.

The School Council, and the wider school community places a key focus on road safety and has in the past implemented notices for car drivers, posters, and employed signage for the street reminding drivers not to park on the double yellow lines outside school. However, it is not children driving the cars. Action needs to come from you, the parents.

If you continue to park your car on the double yellow lines, you will be asked to move. This is to protect the safety of all our children.

**Chinese New Year:** We would like to invite any of our Chinese heritage parents to come to school to do an assembly for our children. Please contact the office or your child's class teacher.

#### Adverse Weather

Thank you for your understanding around the decisions that were taken on Friday due to the adverse weather. For Broomhill Infant School the decision was based on the lack of staff to enable the school to open and run safely. Wherever possible, we always strive to remain open.

We hope that you all kept safe and enjoyed the snow
