News from the School

Library Updates

We are looking forward to welcoming the children to spend some time every other Friday in the School Library. Children will be able to take a book home to read/ read with a parent at each visit and they'll get sticker for returning the book at the next session.

As many of you will know we had a clear out of old books from the library last term and whilst there are still plenty for the children to choose from we are planning some activities to help restock the library. In the meantime please can I ask all parents to vote for Broomhill Infant School to win a Golden Book Box from Inclusive Books for children using this link: <https://www.inclusivebooksforchildren.org/golden-book-box>. It's entirely based on votes so please share widely with your friends and family (closes 30th Sept).

Also, if you or any friends and family are clearing out your bookshelves, we are happy to take donations of good quality books - we are particularly looking for recent non-fiction, graphic novels and early chapter books.

Many Thanks

Harriet Godfrey-Holmes (Library Volunteer)

NHS

Should I keep my child off school?

Yes

Until...

Chickenpox

at least 5 days from the onset of the rash and until all blisters have crusted over

Diarrhoea and Vomiting

48 hours after their last episode

Cold and Flu-like illness
(including COVID-19)

they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.

Impetigo

their sores have crusted and healed, or 48 hours after they started antibiotics

Measles

4 days after the rash first appeared

Mumps

5 days after the swelling started

Scabies

they've had their first treatment

Scarlet Fever

24 hours after they started taking antibiotics

Whooping Cough

48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth

Glandular fever

Head lice

Tonsillitis

Threadworms

Slapped cheek
