## Welcome to Broomhill Infant School Breakfast and Teatime Club.

Our aim is to provide outstanding wrap around provision. We will create safe, calm and energetic clubs. Our enthusiastic Broomhill learners will be cared for by staff who are expert in their knowledge and understanding of how children learn and develop. We will make extremely effective use of our indoor and outdoor environments. Partnership with parents will be a priority. The staff team will actively listen to both children and parents. We will value views and suggestions. Children will be at the centre of our vibrant clubs. We are all looking forward to providing the continuity of care and learning between school and wrap around care.
