

Summer 1

24/05/2018

Tennis

Tennis has been this terms topic in PE! Despite the rain we have been out with Faye learning our forehand, backhand and serving skills. All children have enjoyed improving their tennis skills and we definitely have some budding tennis stars of the future at Broomhill!

Our Wednesday Sports After School Club with Faye has also been tennis! It was great to see the club full with 16 children getting extra practise and enjoying learning how to play matches between each other.

Active Archie

An extra after school sports club has been provided by Arches School Sport Partnership this term on Tuesdays. This was the Active Archie club where children have been taking part in fun multi skill, sporting games which have a different theme every week. This will be continuing next half term for more children to get active in.

Octagon Dance Performance

Every year Broomhill get the chance to perform at the Arches Dance Performance at the Octagon Centre. Over 20 schools from around Sheffield performed at the event and Broomhill put on a fantastic show. The theme was Legends and Divas and they performed a beautiful dance to Elton Johns – Can you feel the love tonight? Big thanks to Mrs Hutt for choreographing and all the staff, helpers and parents that attended the performance.

Coming Up Next Half Term!

Dodgeball Competition – Friday 22nd June

Some Y2 children will be invited to an annual KS1 dodgeball competition at Hallam Primary School next term. The children have been practising with Faye at lunchtimes. Last year's team was victorious, good luck to this years team!

Sports Day – Wednesday 18th July

Whole School Sports Day will be at Goodwin Sport Centre again this year! Looking forward to seeing as many parents supporting the pupils hopefully in the sunshine. The children will be practising their Athletics skills in preparation in next terms PE sessions.

After School Sports Clubs

Next Half Term there will be 2 clubs Athletics (Wednesday) and Active Archie (Tuesday) will be continued which includes fun games and multi skills sport activities. There is still space on both these clubs. Looking forward to seeing more active Broomhill children!
