Summer 2

18/07/2019

Broomhill Infant School

Athletics

This term in PE children have been working on our Athletics skills ready to showcase on Sports Day. We have practised running, hurdles, jumping and throwing. The javelins were our favourite activity and we had some fantastic distances covered. Broomhill definitely have some Athletics stars of the future!

Let's Get Cooking

This ½ term some children from Yellow Base have made pizza, scones, biscuits and flapjack. The children have been using different techniques to produce these very tasty foods. They have used the rubbed in, melting and creaming methods

Sports Day

Sports Day was again a fantastic event for the whole school to enjoy! We had some great penalty shoot-outs, dribbling, hurdles, javelin throws and much more. The children showcased the skills they had been practising in PE amazingly. A big thankyou to all the parents that came to support and those that took part in the parents relay which is always a favourite with the children. A huge thankyou to Mrs Hutt for organising the day. Well done everyone!

Funfilled Term of Activities

S10 Athletics Festival

On 19th June, a group of 11 Y1 children took part in the S10 Athletics Festival at Lydgate Primary school. There were some fantastic Athletics skills shown with lots of jumping, throwing, hurdling and even some space hopping. Broomhill were at the festival alongside Nether Green Infants and Hallam Primary School. Each child came home with a water bottle from the event. The children represented Broomhill fantastically especially as it was some of the Y1s first sport outings with school.

Bridlington

We had a lovely sunny day on our annual Bridlington trip this year. The day saw many active children taking part in paddling in the sea, volleyball, gymnastics on the beach and relay races where we used what we had been working on in PE but with the added challenge of running on sand. Everyone had a fantastic time!

Ready Set Ride

The children learnt how to control a bike safely, negotiating obstacles, whilst developing core strength and balance.

Next Year

Broomhill look forward to next year being just as active and successful as this year! The Y2 sports leaders have been chosen and are ready to go! Keep an eye out next year for after school clubs, competition and festival opportunities. Following the England Cricket World Cup win we will be starting the term off with Cricket in PE.

Look out for school holiday activities to take part in in the area. It would be great to see photos of children being active throughout the summer. Hope everyone has a fantastic time!
