Dear Parents/Carers

As part of Black History Month the children have been finding out about the lives of famous black women and men. The children have carried out research and identified some of the challenges they faced and how they overcame them and changed people's understanding.

As part of Black History Month we have decided to support the national 'Wear Red Day' #WRD19. **On Friday 18th October we are asking all children to come to school wearing red**, along with a donation of £1.

The annual event is run by a charity 'Show Racism the Red Card' and aims to tackle bigotry and racism in society through raising awareness in schools.

All money raised will be donated to the charity.

As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world."

Many thanks for your support

Kind regards
