

SCHOOL VISION

Our vision is to establish a school community that values achievement, diversity and creativity in a safe, healthy and stimulating environment, recognising and providing for the individual needs of children and their families.

We support every child in being successful in their academic achievements and doing the best that they can, so they are ready for the next stage of their school life. Children learn to treat everyone with respect. There are many children at our school with different needs. If someone needs help with their work, with getting about or with their emotional well-being, there are adults to support them. All children are included in all the activities wherever possible. We aim to create an atmosphere of care and enthusiasm, within which each child can feel valued and respected and be capable of becoming increasingly thoughtful and responsible.

Sharrow School opposes racism and all discrimination and works to combat such attitudes. Any form of racist behaviour is not acceptable and will be dealt with promptly and appropriately.

SCHOOL VISION STATEMENT

At Broomhill Infant School we are an enthusiastic, caring and co-operative team. We ensure a safe and secure environment that is welcoming to all. All our children are encouraged to achieve their best within an enriching, enjoyable and relevant curriculum with creativity at its heart. We celebrate diversity by learning from each other, and prepare our children to develop the skills and attitudes they will need for a happy and fulfilling life.

School Aims

- We will promote an understanding of democracy, the rule of law, individual liberty and mutual respect along with an appreciation of different faiths and beliefs so that all our children are well equipped to thrive in modern British Society
- We will combine outstanding teaching with a broad and rich curriculum. Children learn at the highest level when they are excited and engaged. Our aim is to instil a love of learning to last a lifetime
- Mathematics and English will be the spine of our pupils' success in learning. We will build on our strengths and successes to serve the needs of our children using the skill set of everyone in school. Broomhill Infants will drive its own improvement and set its own aspirational targets recognising that we can always improve
- Learning will be focused on individuals' needs and abilities: we will further develop assessment for learning to ensure that all teachers in school are informed of the ways in which children learn
- Teachers and Teaching Assistants will provide a tailored approach to support children with special educational needs and disabilities, more able children and minority ethnic groups
- We aim to foster a positive partnership with parents, families and the wider community by communicating clearly and by facilitating events that bring school and the community together
- We will provide additional activities outside school hours to further enhance children's strengths and interests. We will signpost children to appropriate clubs and organisations if exceptional skill or talent is spotted
- We will use our schools beautiful outdoor areas and garden with the local area and wider locality. We will arrange and organise visits out of school, a residential visit and visitors to school to enrich teaching and learning
- We will promote high standards of behaviour by teaching positive behaviour to all children. We will provide rich experiences to provide for children's social, emotional, spiritual and cultural development. We will promote Broomhill 'Secrets of Success' and our 'Golden Rules'
- The staff team will develop a curriculum that meets the needs of our diverse school population, we will make changes over time and all resources will be used flexibly and imaginatively

We are all ready, willing and committed to achieving our very best, through the inclusive, practical and stimulating opportunities created especially for us. We are confident problem solvers who love a challenge; we know that learning involves taking risks and making mistakes. We have the highest expectations and respect for ourselves and others. Our vitality for learning extends beyond the school day and the school gates.

Our school community is a wonderful mix of people from all over the world. We have many different interests and talents that we love to celebrate and share with one another. We are safe, healthy and happy in a learning environment that nurtures, supports and empowers. Every member of our school community is valued: we all have a choice and a voice. The road to lifelong learning begins here!

We are proud to belong to Netherthorpe Primary School...where everyone has a chance to shine.
