Dear Parents/Carers

After the Prime Ministers statement last night you must have many questions .We have lots of questions that need clarification too.

At the moment, there is no change to the guidance for us at school We will provide care for those children whose parents work in critical care or their work is critical to the COVID-19 response and only those that cannot be safely cared for at home .The message is still " **It is safer to stay at home** " .

We have not yet received any information to support us with this new plan to start the phased reopening of some year groups. We expect we will receive further information from the DFE shortly hopefully with some clarification and guidance.

We will need very clear guidance to plan how it is possible to social distance in schools and keep our children, teachers and families safe, how we might start to phase groups of children returning and what this will look like. Please be assured we will definitely not reopen until we are 100% prepared.

As always we will keep you informed every step of the way, but for now, please try not to worry. Our plan for now is to continue to provide activities for learning at home and to keep in contact with you, our families.

As always we are extremely grateful for your support, kind words and positivity. We will continue to support each other in these very difficult and uncertain times.

Kindest regards

Catherine Timbers  
Head teacher
