## Note from the Head teacher

As our school nears the end of a very busy Summer term, children are understandably tired and overwhelmed with new information, excitement and concerns about transition to new classes and end of year events. It is even more important now that children get a good night's sleep. There are little changes that we can all incorporate in our bed time routines that can help make a big difference. Follow a set bedtime routine. Limit screen time before bedtime. Enjoy a bed time story together with your child. A good night's rest sets everyone up for the next busy day. Thank you.

**Punctuality:** Many children are arriving late to school. Children missing out on essential morning routine of the class besides being disruptive to the class. Please see the timetable overleaf to familiarise yourself to the timings. Thank you.

**Covid-19:** If your child shows any symptoms, please do not send your child to school. Please inform the school asap and get a test organised. If you have any queries, please contact the school (0114 266 0936) or email: [enquiries@broomhill.sheffield.sch.uk](mailto:enquiries@broomhill.sheffield.sch.uk). Thank you.
