Belonging

We all belong to different groups. We belong to our families, our school, our friendship groups and maybe our church or other group.

A sense of belonging makes us feel safe and secure.

In our groups we build relationships with others that help us grow and feel happy.

5 Facts

1. The five senses are sight, smell, touch, taste and hearing.
2. The UK is made up of England, Scotland, Wales and Northern Island.
3. In a church you might find an alter, nave, pulpit, font and stained glass window.
4. During exercise your heart beats faster.
5. Some percussion instruments are tuned, some are un-tuned.

Maths Method

- Count forwards and backwards from any number to 10.
- Order numbers to 10 and then 20.
