**Water bottles:** Warm weather has been forecast for this week. Please ensure that children have named water bottles, sun hats and are wearing sunscreen.

## Road Safety and Parking around Broomhill Infant School

Please see the attached road safety poster to remind pupils how to stay safe on their journeys to school - especially following a quieter period with lockdown etc, we all need to remind ourselves and children about road safety and 'road sense'!

Parking is very tricky and parking places are very scarce around the school. Please allow plenty of time when coming to drop/pick-up your child. Do not park on the safety lines and pavement in front of the school.

It is essential that a safe passage is always available for children and parents to use especially around the school premises. Traffic wardens are also very active around the school area. Please be mindful of our neighbours and refrain from blocking driveways and entrances to houses around the school. Thank you for your cooperation and lets all work together to keep all the children safe.

## Home schooling /working for kids

We would like to share the attached document with parents to support home learning next term (fingers crossed we won't need it!).
