## Calendar Dates

### Feb 2022

**02 Feb:** School trip to Yorkshire Wildlife Park-Please be at school for 8.20am

**14-18 Feb:** Half term holidays

**21 Feb:** Back to school

## Note from the Head teacher's office

Covid symptoms: Please be aware that tummy upset/ache are symptoms of covid in children. Please complete a lateral flow test if your child has similar complaints. Isolation guidance has changed from today. Please see below. Thank you.

**Please inform the school of any absences before end of registration 9.00am. Thank you.**

**Mask requirement:** Parents and visitors are required to wear mask or coverings whilst on school premises. This is now mandatory as per latest government guidelines. Thank you.

## Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.
