## Note from the Head teacher's office

**Mystery Reader** - We are relaunching our Mystery Reader slot in school! Before Covid, we invited parents into class to read a story to their child's class. We don't tell the children who is coming and it is always a lovely surprise! If you would like to come and read a story in school, please talk to your child's class teacher.

**Chicken pox** - We have had a few cases of chicken pox in school. Children can return to school after all poxes have scabbed over and dried. For more information please [visit:www.nhs.uk/conditions/chickenpox](http://www.nhs.uk/conditions/chickenpox)

**Covid-19** - We have some staff and children who tested positive to Covid. Whilst there is no longer a legal requirement for people with coronavirus (COVID-19) infection to self-isolate, if you have any of the main symptoms of COVID-19 or a positive test result, the public health advice for children and young people who attend an education or childcare setting is to stay at home and avoid contact with other people for five days. They can return to school if they test negative on 5th and 6th day. Thank you.

## Well Done Willow!

Willow has organised a Bake Sale over the weekend and raised £403.84 for the Ukrainian Refugees. A huge well done to Willow! What a superstar! We are so proud of you!

## Red Nose Day

18 March is Red Nose Day. We'd love the children to come dressed in red or as a superhero. Please bring a contribution of at least £1 for this very important cause. The money will go towards helping people live free from poverty, violence and discrimination. It will also help organisations supporting people in Ukraine.

They are desperately in need of blankets, sleeping bags, children's toys, pet food and long-lasting dairy food supplies like pasta and rice, nappies, sanitary products and other personal hygiene products and candles. This is not an exclusive list. Please give what you can. They will pass on the donations to The Red Cross who will distribute wherever it is needed.
