Spring Term
March 2022

PE at Broomhill

Spring 1 PE topic was Dance! All classes explored moving music and creating different movement sequences using themes such as a day at the circus.

During half term 2 we have been back outside with Football when the weather has been nice enough. We have been working on our football skills dribbling, passing, shooting & match play. We have also been showing our team work, resilience and sportsmanship during this topic.

PE topics for the summer will be tennis and athletics. We look forward to more nice weather so we can have our PE outdoors in the sunshine.

After School Sport Clubs

This term has seen us run 2 football clubs which have been packed full. We love seeing the enthusiasm here at Broomhill with all the children that love to have a go.

Next half terms sports afterschool clubs will be Hockey! We will be having a club on both Tuesday and Wednesday to get as many children involved as possible.

Finally back to our competitions & events!!

Sadly due to the weather the Y2 Wildcats girls football event this half term had to be postponed. We will hopefully be able to attend later on in the year at a rearranged date. Here is information about local Wildcats sessions for anyone wanting to get involved <https://www.sheffieldfa.com/players/youth-football/weetabix-wildcats---girls-5-11>.

In the summer term we have lots of exciting events lined up so far including the Octagon Dance Performance, KS1 Cluster Athletics and Sports Day!

Have a great Easter break!
