Note from the Head teacher

Good morning everyone and Eid Mubarak!

Firstly, if you celebrate Eid, I hope you enjoy the celebrations and festivities.

Last week, a number of children represented us at the Octagon Dance Show. It was a long afternoon for the children, who had to wait until almost the end to perform but, when they did, they did us proud. They were so confident and so well-rehearsed that they didn't put a foot wrong. Our thanks go to Mrs Hutt, who choreographed the dance and taught the children, to Mrs Middleton-Lund and Mrs Logan for escorting the children safely to and from the venue.

School Questionnaire Please can I politely ask you to complete the parent questionnaire. The link was sent out last week. We did have some teething problems with it which I hope are sorted now (it only sent out a Gmail link initially). This will give me a better understanding of where we are now and the things that need addressing moving forward. I would be grateful if you could complete this by Friday 6th May so that I can collate the data from it.

TA appointments - Last Thursday, we interviewed for two full-time teaching assistant positions to start in September. I am delighted to tell you that Miss Pring and Miss Ahmad were successful and will remain with us in September.

Heating upgrade - The heating upgrade is almost finished. This will be commissioned on Friday 6th May and then it will just remain for the workmen to tidy up and make good around the holes that have been drilled. The whole project should be up and running and signed off by Spring Bank.

Many, many thanks to Steve and Tracey Burton, who have worked tirelessly through the Easter holidays and weekends, making sure that school is free from dust, furniture is moved back into position and everything is ready for the children to learn as usual. We couldn't have done it without you!

Achievement Assemblies - Tuesday assemblies will be 'Achievement Assembly' where we celebrate the children's successes out of school. Please hand in certificates etc to Mrs Jones on Tuesday am or email them to her.

Special Mentions Assemblies - We are resuming these on Fridays. This is where a child has been 'caught' making the right choices, being polite or doing their best in their learning. The adults in school will write the child's name and reason for the special mention in the book in the foyer. I would really like to start inviting parents to this. So, if your child gets a mention, I will contact you and invite you to our assembly on Friday afternoon.

I hope you have a lovely week

CBeebies in school

Last week, the school was approached by Ross Bloomer, who is a TV producer. He is looking to cast Y1 children in a new CBeebies show called Ranger Hamza's Eco Quest, and will be coming into school on Thursday 5th May to run casting sessions for the children. Only children who have permissions from parents or carers will be involved and this will be under the watchful eye of one of our teaching assistants. If you would like your child to have this wonderful opportunity, please complete the permissions form that was sent out last week and return it to the school before Thursday.

Broomhill School Council

School Council has appointed new councillors! They will be meeting this week to decide on the agenda for this term.

Friends of Broomhill

FOBS is up and running again. Please come along to the meetings if you would like to be involved in fundraising ideas for the school. We welcome your involvement. Thank you to all those who attended our meeting this morning, it was very productive!

Jubilee Street Party

On Friday 20th May, 2 - 3 pm, we are having our BIS Jubilee party (in school). We would like the children to dress up from the decade they have been studying and we will have a parade to showcase all of the lovely costumes. We would like to invite all of our wonderful parents, carers and friends to join us for this memorable event.

Blue Base: studying the 60s

Green Base: studying the 60s and 70s

Yellow Base: studying the 70s and 90s

Red Base: studying the 90s

Broomhill Festival 2022 and Table Top Sale

On Saturday 18th June, from 10am - 1pm, we are opening our Forest school garden as part of Sheffield's Open Your Garden festival. We will be having a Table Top Sale as well as a garden café. This is a great opportunity for families and friends to come and enjoy and support our beautiful garden resource. If you are interested in helping on the day, please can you let us know. More details to follow.

School Library

We are very fortunate to have the help of Candy Twigg, who keeps our garden looking lovely. She has also agreed to come in and offer the children a library experience once a fortnight, where children can read books and choose a book to take home. The books will be due back a fortnight later. Candy will take two classes one week and two the next, starting Monday 16th May in the afternoon.

Forest School

Forest school has resumed from this week. Please see the schedule for each class below:
