Summer Term

July 2022

## PE at Broomhill

Summer 1 PE topic was Tennis! Everyone showed brilliant skills with lots of budding tennis stars.

If anyone is looking for tennis clubs outside of school there are a few in the local area.

Abbeydale Tennis Club offers a junior programme.

During half term 2 we have been getting ready for our annual Sports Day with Athletics. We practised lots of running, jumping and throwing.

## After School Sport Clubs

This term has seen us run both hockey and dodgeball clubs on both Tuesday and Wednesdays which have been packed full. It is great to see so many Broomhill children having a go at different sports! We look forward to offering lots more sports clubs for those still at Broomhill next year. Keep on the lookout in September!

## Competitions & events!!

At the start of the term we took a dance team that had been practising their routine with Mrs Hutt to the Octagon Dance Performance. It was a fun day where we performed to over 200 people and got to watch lots of other schools dances!

Sports Day also took place on July 13th which saw a return to taking place at Goodwin Sports Centre which is a first for all the current children at Broomhill!. It was a very sunny day with great Athletics skills shown along with amazing support from parents. The carousel of stations got everyone involved with javelin throwing, egg and spoon, hurdles, penalty shoot out and many more. Of course the parents relay took centre stage as always. Well Done everyone involved!

**Have a great Summer break!**
