### Para Olympian in School: 12 Oct

We're very excited to be welcoming top athlete **Haroon Siraj**, who is an England weightlifting champion, to the school on Wednesday, 12 October 2022.

**Haroon Siraj** will be leading a sponsored fitness circuit with all pupils and will follow-up with a talk and question and answer session. The aim of the event is to inspire the pupils to be more physically active, but just as importantly to encourage them to discover and then pursue their passion in life. The event will both connect the pupils to an extraordinary athlete role model, and to raise money to improve physical activity for the school, while also supporting both athletes and para-athletes. Should you wish to, send your sponsorship forms and moneys to the school office 1 week after the event has taken place. The monies raised will be used by the school for PE resources. Please also make sure that your child/children come to school on the event day with their PE Kits! Thank you in anticipation of creating a terrific and memorable event.
