## Community Clubs and Activities

### All Stars and Dynamos Cricket programmes

All Stars and Dynamos Cricket programmes across the city. Nearly every Sheffield club is running this programme for at least 8 weeks across the summer term and children are able to access cricket coaching, get equipment and an introduction to cricket for a small fee. In the past Sheffield has done so well (one of the best areas in the country) for these programmes because of the work you have done in schools to promote.

The All Stars programme is for children in Y1, Y2 and Y3 and Dynamos targeted at 8+ so Y4, Y5 and Y6 age groups.

### Sheffield CU Easter Passport Activity Newsletter 2023

The Sheffield Children's University Passport to Learning newsletter includes details of activities happening across the city during the Easter holidays. It's packed with fun activities happening during the Easter holidays - from music lessons to lots of different sports, arts and crafts, gaming, science, cooking, animation, activities in the libraries and even Spy Kids, there really is something for EVERYONE! There are also links to our very own Sheffield CU home learning challenges which can be done for no cost at home, and earn CU credits. Please see the link below:
