Although the weather is improving the children still need to bring waterproof clothing and suitable footwear.

Attendance

Our current figures for year-to-date attendance is 93.8%. This has stayed the same as last week. Our bespoke target this year as set by the local authority is 94.9%.

Learning in school starts at 8.20am. You must ensure that your child is in school by this time so that no learning is lost.

Basic Life Support Training

A letter was sent out on Monday about this training on 21st June. The training is being run by one of our parents. If you are interested in attending this basic training, please return the slip at the bottom of the letter.

Messages from the Office

When using the schools answerphone to report your child absent, please say specifically the illness they have. Messages that say 'not feeling well' or 'sick' do not allow the school to track trends in illness. Any messages like this will be recorded as unauthorised absence. Some illnesses have to be reported to public health if we have a number of cases. Thank you
