Messages from the Office

As the weather is getting sunnier please ensure that your child has a sun hat. Please apply any sun cream before coming to school as staff are not able to apply it.

Attendance

Our current figures for year-to-date attendance is 93.8%. This figure has stayed the same for the last 4 weeks. Our bespoke target this year as set by the local authority is 94.9%.

Learning in school starts at 8.20am.

Parent Drop in Session

Come along to this session on 13th June, 2-3pm. Parents can participate in activities with their children

Forest School

Although the weather is improving the children still need to bring waterproof clothing and suitable footwear.

Apply any sunscreen before leaving home.

Bring a water bottle so the children can keep hydrated.

Promoting the Love of Reading

Reading is currently a focus in school with the teachers looking at enhancing their reading corners with a view to encouraging the children to read for pleasure. Next half term we have a visit from Broomhill Library and we would like to encourage you to sign up with your class teacher for Mystery Reader. This is where you bring your favourite children's story into school and read it to your child's class. But don't tell the children it will be a surprise.

NO Celebration Treats in School

A polite but important reminder to parents/carers that sweets/cakes/gifts etc. are NOT allowed to be handed out in class when it is a child's birthday etc. We appreciate that these gestures are done through kindness and the want to celebrate special occasions, however, they pose an allergy risk, go against our healthy eating policy and also put pressure on other children and their parents/carers to follow the trend.

Thank you for your co-operation and understanding.

Polite Notice from the Headteacher

As a result of our visit from the Local Authority Health and Safety Officer, we are unable to continue to allow children to use the wooden climbing equipment or pirate ship out of school hours (8:20am-3pm).

Our children have lots of opportunities to use each area throughout the school day in a safe and well-supervised manner. Following this notice, school will not be responsible for any accidents or injuries received by any children playing on the equipment out of school hours.

I appreciate that many of the children will pester you to use it before the start of school and after school has finished but I appeal to all parents to support us on this matter. I myself will continue to make this rule clear to all pupils in assembly time and in classroom discussions.

Thank you for your continued support and strong parent partnerships.
