NGJS VOLUNTEER PLEA

On Saturday 9th September (9.30am - 1.00pm), we are going to be spending the morning tidying up the school grounds, after the removal of the scaffolding/ fencing, used for our roofing works.

Tasks will include: sweeping, weeding, sanding and painting benches & fences, planting pots and moving/ organising resources that have been stored in the large storage containers.

We need a team of adults to help us spruce up our grounds ready for our children for the new school year. Unfortunately, due to health and safety reasons, we do not feel it is appropriate to have children attending.

Tea and coffee will be provided. If you are able to help us, please contact the school office.

Thank you in advance for your kind support.

Being a parent is amazing but at times we all need practical help and advice. Our Parenting Team deliver a range of evidence based programmes. These are tried and tested programmes based on international research into what works for families and children!

This booklet will provide information about the different services we can offer and how to book a place to attend.

We all have busy lives and one size doesn't fit all so we have a range of options to suit every parent. Just a few small changes can make a big difference! These are the different services that we offer:
