PARKING

Unfortunately we have already had issues with parking around school. There are very few parking spaces and lots of double yellow lines. Please **DO NOT** park on the double yellow lines, across peoples drives or on junctions. We have spoken to parking services who will be regularly monitoring the situation.

In school we work with the children on manners and respect. The school would expect the same from our parents. It can be upsetting to our children to witness verbal or aggressive behaviour.

Please ensure that you leave enough time to park and bring your child into school. This also applies at the end of school when all children are leaving at the same time.

Please note that there will be resurfacing work on the road outside school starting on 18th September, 9.30 to 2.30.

Volunteers

1. We would very much welcome volunteers to listen to children read. Ideally this would be a regular session each week. If you are able to help, please see Mrs Barnes or Mrs Jones. (Please note, this might not be with your own child's class.)
2. Each class has a weekly Mystery Reader slot when parents or other family members are invited to come in and read a story to the children. It is a lovely experience for the children and adults! Each class has a different time slot so please talk to your child's class teacher if you would like to participate. Thank you!

Achievements

On Thursdays, Mrs. Jones does Achievement Assembly with the whole school. This focuses on achievements outside school. They might include swimming, learning to ride a bike or helping someone in the community. Anything goes! If your child would like to share their achievement, they can bring a certificate, photo or medal in on Thursdays.

NEW MUSIC GROUPS

LET'S MAKE MUSIC!

Year 1 / Year 2 - Thursdays 4.30-5.15pm - Red Tape Central

Let's Make Music is an informal and fun music group for Y1/Y2 in a relaxed and welcoming environment. We explore the basic elements of music such as rhythm, pulse and pitch through song, percussion, action games and creating our own music. Learning about these provides a strong foundation for taking up an instrument at a later stage - playing music is a gift that can last a lifetime and there's no better time to start than when young!

LEARN TO PLAY RECORDER!

Year 2 + Tuesdays 6-6.45pm - All Saints High School

Learn to play the descant recorder and explore all styles of music from Tudor Times up to Jazz, Pop and Rock!
