Attendance

Please ensure that your child is on time for school. Children can be brought into the yard from 8.10am. In the case of inclement weather, children may come straight into school for 8.10am.

Learning in school starts at 8.20am.

Last weeks whole school attendance was 94.5% - down 0.5%

A polite request that you please do not take your child out of school during term time. This can result in significant learning gaps.

Oral Hygiene

There are increasing numbers of children who are experiencing tooth decay. Below are a couple of links that you may find helpful.

PARKING

There are still issues with parking around school. Please **DO NOT** park on the double yellow lines, across peoples' drives or on junctions even for short period of time. We have spoken to parking services who will be regularly monitoring the situation.

Please ensure that you leave enough time to park and bring your child into school. This also applies at the end of school when all children are leaving at the same time.

Ensuring a safe environment for all the children is essential and dangerous and inconsiderate parking is not acceptable.

Studybugs

Broomhill Infant has a more efficient and secure system for reporting your child's absence due to illness, called Studybugs. Please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child is ill and unable to attend school.

You can leave a text message on the App or website and we can reply to you so you don't need to ring and leave a voicemail, although, this option is still available.

Get the App or register now at <https://studybugs.com/about/parents>
