## Christmas tree recycling

**Recycle your Real Christmas tree this January!**

A real Christmas tree is a festive favourite - but no one likes the hassle getting rid of it in January, or finding pine needles in the car until July!

That's why Sheffield Hospitals Charity are excited to be holding Christmas tree collections across Sheffield in January. They'll pick up and recycle your tree, stress-free, in exchange for a donation of any size - a pretty good deal!

All trees that they collect will be recycled in your local community, so not only do you save yourself a job and support a local charity, you're helping the environment too!

To book your collection, visit [www.just-helping.org.uk/register-tree](http://www.just-helping.org.uk/register-tree)
