Also if you do **NOT** want your child in the video, which will be posted on the website, please let school know.

Kidical Mass Cycle Ride—18th May

This is a short, gentle paced cycle ride for families or anyone who would like to cycle in a group. It's aimed at children and parents / carers so will be marshalled to help keep the group safe. We'll be cycling from Tudor Square (outside of the Crucible) to Pounds Park.

For further information please see the flyer at the end of this Newsletter.

Dear parents/carers,

As we all know, our school community represents a fantastically diverse community. The school is really excited to celebrate this in its annual **International Day on Monday 20th May 2024**. Children are invited to wear items of clothing/costumes from their country of origin that day and the school will provide activities and songs throughout the day from different cultures.

After school, we will run a bake sale with international treats and snacks (no nuts please). We hope this will raise much needed funds for the school refurbishment fund and will also provide a fantastic opportunity to share how amazing our school community is.

To make this day as successful as possible, we need your help! If anyone is available and willing, it would be fantastic if you could please:

Volunteer to come into school to briefly talk about their cultures on the day.

Dress your children in clothes that represents their country of origin.

Bake/cook some snacks that represent your culture/international heritage and bring them to school on the morning of Monday 20th May.

Please provide a note that says what the dish is and a full list of ingredients as several children have severe allergies.

Help set up the table of food at 2:30pm

If you're able to help, please contact the school office and/or just bring in your tasty treats on Monday! With your help we can make this a really fantastic event.

Best wishes,

Anne Cotton (FOBS Chairperson)
